

Artist Name: Peter Versluys

I hope that you enjoy my art. In the last several years I like the art of the one line drawing. I love drawing something real simple that brings big meaning. There is a saying, "less is more". I also love doing "regular" drawing. I'm so glad and thankful for this opportunity. It lets people understand that just because I am in prison doesn't mean I'm a bad person. I like Art, because it shows the good side of me. My art helps me be who I am. Instead of bringing pain to people, it gives joy to others. I firmly believe that Art helps rehabilitation. Thank you to you all who sees my art. I hope you enjoy it
