

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: KAVCE X

This is my ^RMocha Fairy? Why? Because of her skin color is COCOA : Cappuccino with a little Peach. This piece put me in the mind frame of a dream, well after the pastel rainbow around the fairy. But the ~~little~~ title came to me when somebody noticed her skin color and said mocha fairy? So here you go Mocha fairy AKA Nigua bell (NeeKwah) Oh started as a tattoo pattern first but I kept it for myself. Nope you like it. Thanks
