I started out drawing here at WNV
in Feb 2017. I used it as a
way to communitate with my children
and show them that I care. I am
now starting to have more confidence in
being creative with my drawings. I usually
give all my work to friends & family. ~~This~~
~~year~~ ~~I~~ ~~SD~~ That's why only the one
piece this year. Although this year
it is just one, it is original.
~~and~~ God has blessed me with this
hobley to show others I care.
