I absolutely love beautiful things. I have learned in life that beauty is truly in the eye of the beholder.

So when I compose an art piece I am doing my very best to give the viewer/you, a look into my minds eye, as to what I find gorgeous, exquisite and beautiful. I hope to inspire beauty and love within others who view my art as a look into the inner beauty I possess. I find beauty in flaws, mistakes, mishaps, and what others would likely cast out into the garbage heap. It is my hope to one day be recognized for the beauty I behold within my heart and in my minds eye. Thank you ever so much for taking the time to read my heart felt say mispelled and most likely gramatically incorrect statement about me ("
