

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: hassan

these are the eyes of a black Madonna.

she is the product/result of vision by

artist, which occurred during deep sleep.

when artist awakened (approx 4:15 am), the glow

from the media player illuminated the room and

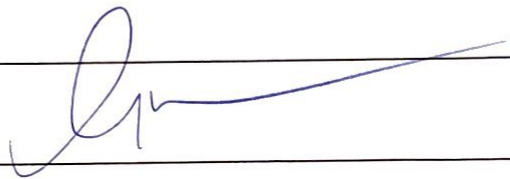

the eyes lit up. the room filled with light

paralyzing artist. note the obscurity of the lips. we bless and

curse with the same lips.

artist only used the three primary colors and

mixed all colors on palette
