

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: ARTHUR W DITTMAR

I started drawing at an early age, around
4 yrs old.

I went to an ART school at 7th grade called
Center For the ARTS and Sciences (CAS) in Saginaw
MI., I was one of the 1st students admitted into
the school from my 6th grade teacher before the
school was even built.

I Look For detail in ART. I dont ever copy
ART because your ONLY making the same mistakes
the original ARTIST might have made.
