Lion of Judah; Kingdom of Gold

"NINE" (THE GREAT DANE IS CLAIMING HER HOME!)

I've never been in trouble in my whole life and yet I found myself locked up. Where am I what do I do now? I haven't picked up a pencil to do a serious drawing since I was in high school. I pour all of my hurt, pain and newly found suffering into every pencil stroke. It's become a safe haven for my mind to escape to while I ponder the new road ahead of me and how I will ever make it through this nightmare. My God is the only way I can bear the anguish, there is a light at the end of this dark and dismal tunnel.
