

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Anthony Van Go

I have always wanted to build things.  
Just to see if I could. I've <sup>built</sup> ~~built~~ ~~built~~  
two bird houses two cabins the twin towers  
three picture ~~para~~ frames. And now this  
red barn and up stairs sleeping loft  
with a light. I also made a park like  
setting to go with the barn. Building  
keeps me busy and out of trouble and  
while I work on my case to get out  
and go home to be with my family  
that I love and miss very much.

Thank You for this time
