This is my second year in PCAP. This is an awesome program Thank you all! This year I decided to make a sculpture of a Dinosaur. This is my first attempt and it was something I Really enjoyed in the making. Spent alot of time on this piece and was Really happy to see it take on the image I was going for. Who knew How much one can accomplice with Tissue glue paint and glass on a craft stick frame! Hope you enjoy this piece as much as I do!
Also my ~~decision~~ decision to do ~~PCAP 2019!!!~~
