

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Jonny

I've been drawing for 25 years. I'm 35. My daughter was obsessed with owls and she passed last March of Covid & Lupus complications. I've been struggling with a infection in my blood for the last 19 years and have had almost 350 surgeries on my drawing arm chest leg, etc. Wasnt sure if I would be able to do anything this year, but I did.
