

Artist Name: Jestey Shame McCoy (THE PENCILIST)

Thank you for reading this. I love Art! Art has always spoke to me on many levels. It can make us laugh, or cry, or transport us into a distant memory. It can inspire us to do better, and better. It can add excitement to a boring day. Art, and my Higher Power (Jesus) are my main focus, each and everyday. Art is how I escape my reality as a prisoner locked in a small prison cell. I am truly blessed and free in this way. Each and every work of Art that I complete, has a small part of me within. I hope that each of you can somehow see the beauty I see in the subjects that I choose to draw and paint on paper. I really try to see the beauty and the magnificence in each animal I paint. Many years of re-creating what I see, and admiring God's little creatures. I mention God, and Jesus, because I do understand that this talent that I've been blessed with is giving by my God. I am suppose to share this with you. 22 years this year participating in this Exhibition with P-CAP. It is truly an honor to share this each year with you all. Thank you all, so much, for your support with P-CAP. It has changed my life, and I look forward to the day I can stand there next to you all, shake some hands, provide some hugs. I really try to set the prices for my art very reasonable. I hope that you can own one of my works of Art. May you all have a wonderful year and may God bless you and your families. Peace & Love to All of you!!
