

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Justin Rose

I have finally reached the finish line after 22 years  
of being incarcerated. My greatest Joy came from P.C.A.P.  
and being an Artist and writer for 10 years. I want to  
thank PCAP, the Volunteers, the students and Visitor's for  
Supporting me as an Artist, even when in the beginning my  
Artwork looked like a 3 year old did it... lol. 😊  
I have grown as an Artist and as a person,  
better and better I became, but none of it could  
be possible if it were not for all the Amazing people  
at PCAP! I love you all so much, you are my  
Brother's and sister's, you are my family! You  
never judged me and that means the world to  
me. when I wanted to end my life, you gave me  
a reason to keep living, You gave me hope. Thank you
