

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Alex Kleinst / Joker

Creating Art is my sense of freedom. It gets my mind out of prison. It also helps pass the time. I put my heart and soul into each piece of artwork I do. I like doing multiple different types of artwork as doing the same thing gets boring after awhile. So I like using different mediums. Always like to challenge myself with what I'm going to add to my art, to see if I can use it somehow.

When creating art, chaos and madness comes into play. Without the mistakes we make to become chaotic and mad to strive to accomplish the final piece, people wouldn't have come so far.

It's not the reason I'm so smart. It's just that I stay in my problems a lot longer than anyone else. "Albert Einstein"
