A Bitter Taste

I'm my first entry of the exhibition,  
I submitted work titled "Bitter  
Sweet". Thus, I thought that I  
would continue my ~~work~~ <sup>submissions</sup>  
~~as a~~ series with titles and works  
along the same lines

Although my works are not  
anywhere close to a Professional  
standard, they are all original ideas  
created with only references from  
my memory, and self teachings.

With this said, I present  
to you "Bitter Taste", and "Sweet Nothings"
