

Artist Name: Aaron James Hutchison

To begin I have been incarcerated for the last 8 years. In this time I have sharpened my art skills even more. I always have drawn since I have been a little kid. In here my art is an escape from this prison world.

I love to draw what ever pops up in my head, from skulls and demons to birds and super heroes. All in all I just draw and create what makes me happy. I hope that people love the art work that I create.

I would love to create my own graphic novel and comic series when I get out. To tell stories that people love to read and can't put down. And to have my art work bring those characters to life.

So I hope that you guys enjoy my Manga / Comic / Graphic novel style of art work.

Thank You kindly for taking an interest in my art work ☺
