PCAP Miniatures 2021 Exhibit

Artist Name: Nick Orozco

Art provides me with an interface to express myself. There are endless possibilities or variables any artist may use. My art is only my perspective during a moment in time. Sometimes I am very specific and during other occasions I am not. I try to utilize enough variables to convey myself effectively. Some people get me. Some people don't understand, and sometimes I don't understand other people or phenomena. Every once in a while I correctly represent a moment, utilizing the right variables, and someone likes it. That is really a great honor. That's the magic I believe in and hope to see one day. Art is my interface to love. All real love I've experienced starts with music, poetry, sounds, words, sights, and touch. Followed by some wild experience, but along the way I meet ~~the~~^{some} of the coolest beings.
