Zoe Kravits, H.S.T.

I don't really know about doing this anymore
I barely ever feel like Drawing or really
doing Anything at all but Sleeping, the only
Ambition I ever experience anymore is more in
the abstract than ⁱⁿ any actual practical application
please only express negative - Non-Constructive
feedback and do not contact me unless it
is to Disparage ^(sp?) my work or slight me
as a person. happy hunting
