

Artist Name: Samantha Bachynski

I continue to create art work to challenge myself and to make my family proud. I enjoy creating one-of-a-kind crochet pieces for the exhibition. Every year I push myself to make something unique. All of my crochet pieces are made with patterns I created, they are my original designs. I will keep making my art work and hope to keep making my family proud.

About the chess set: -The board can be used as a small lap blanket.

- All of the pieces and the board are machine washable and dryable.
