

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Boogie w/the Bible B.W. J.B.

This was a portrait I painted for my first year seminar course through Hope College Western Theological Seminary. My group (hence the four names on the portrait) had to prepare a presentation as part of our final grade.

This portrait depicts our attempt to provide families w/meals on Saturday and Sundays.

We called it the Full Se7en Initiative.
