

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Kimmy L. Emig, # A-159943

I've been working in wood/stones since 2002.
I really like doing this kind of Hobby Craft.
I plan to use whatever money I might
earn thru the Uof M Prisoners
Creative Arts Project to place orders for
materials so I can build other
projects.

I like having people not incarcerated
seeing what I make; its the only
way I can promot (show) the public
what I do.
