

David Killian

100-20

Jocelyn

Hi my name is David and I am an artist.
~~My~~ my art allows me to show others
the way I see the world, mainly things that
are misunderstood or that would be considered
dark. I also interpret my struggles that
I believe are common among others. We
are all connected in one way or another
and I would like others to be able to
see things the way I do. Thank you.
