

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: ISA ISAZ

When I draw, art is not art, art becomes part of me.
It becomes life. From past experience towards what I feel,
what I think, what I see, where I am trying to go.
It is to be free, to have peace, to visit a different
world. For me to grow as an artist "I must seek a
horizon just with random levels of difficulties."
