

Artist Name: IG-Arte. Dr. Mike Zunigo

"Redemption"- Is based in a battle we fight on the daily between what we've known all our life and what we know is right but can't trust ourselves to do.

"Boxed in"- Shows a prisoner enveloped by temptation and unresolved trauma. Demons lurking in the darkness' restraining him from reaching freedom ^{his} ~~painting~~ "boxed in" the best way to describe "Boxed in" is listening to Bryan T "Crown" that was on repeat as I painted Boxed in. Check it out

"papers"- as a child we reach to our parents with a open hand looking for comfort. but when you've been separated from them, a family torn apart his hand becomes a fist because of a document that was ~~man~~ ^{made}. A broken system that was meant for security has now made him vulnerable to the system. Be strong Mij. Take care of your sis.
