Please consider writing an artist statement

As a kid I always enjoyed creating sketches of dragons and swords and what not, but I didn't really take it seriously until recently. Even in my situation as an inmate, I have found art to be a positive way as to grow creatively. My hope for the future is to continue my art, with <sup>the</sup> 10,000 hours goal in mind, and eventually when I get out work towards a Master's degree in art and digital art.
