

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Tyler Lewis

Art is a window to the soul. It allows you to experience a range of emotions, to see this world in a different way, or to create a world that would only exist in your head. Art is Beauty in any Form...

The two pieces I'm exhibiting are raw emotion in juxtaposition, one is light while the other is dark, one male and the other female. Their emotions are on display for all to see, they are overwhelming sadness and frustration, emotions we've all felt. usually these emotions are hidden and kept within. Here they are on full display, ~~to~~ saying to the masses... It's okay to not be okay.
