*Titanic Wreck Model*

I AM SO HAPPY TO BE A PART OF THE PCAP PROGRAM FOR THE SECOND TIME. I WANTED TO MAKE ANOTHER TITANIC WRECK MODEL, THIS TIME IN A LARGER SCALE SO I COULD ADD MORE DETAIL. I ENJOY MAKING THESE TITANIC WRECK MODELS BECAUSE I HAVE BEEN INTERESTED IN THE TITANIC SINCE 1985 WHEN THE WRECK WAS DISCOVERED. I ALSO MADE A DRUMSET OUT OF THE SAME MATERIALS AS THE TITANIC MODEL, USING CRACKER BOXES, PAPER, BROOM BRISTLES, TOOTHPICKS, Q-TIPS, AND CHIP BOARD. I AM ALSO VERY PASSIONATE ABOUT MUSIC, BEING A DRUMMER MYSELF FOR ALMOST 30 YEARS. I HOPE THESE PIECES OF ART BRING HAPPINESS AND ENLIGHTEN MUSEUM PATRONS WHO ~~ARE~~ SHARE THE SAME INTERESTS. THANK YOU FOR HAVING THIS WONDERFUL PROGRAM THAT ENABLES AN OUTLET FOR ALL OF OUR ARTISTIC INCLINATIONS!
