

Artist Name: Brad Cournaya

I've been in a number of UofM art shows now, I always try to improve on my work, improving ways of making things, stronger, tougher. I've made many items not only to look at but to be played with. I enjoy putting a smile on my family members faces and other peoples families. I've always found enjoyment in art, either drawing or creating things from nothing. My art is my escape from this reality.

Many people have asked, in and out of prison. How do you do that? How did you make it?

Simply, I tried, and didn't give up. I hope people look at me and others in prison as just a person who made a mistake in life, were not monsters,
