

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Anthony Casanova

I have two friends that live in Ukraine. They left when the war began and they are safe. This cabin I built came to me as I was thinking it up and some ideas from a shed book I have. This cabin would really make a very nice holiday piece for Christmas. I never built anything like this before. It really turned out very nice it was an 8 month art piece. Never been in a show like this. Thank you (Go Blue) I am a big fan^d
