

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Angel Mathers (Koehler) 519974

I started doing Spraypaint Art eight years ago when both my mother and daughter were diagnosed with cancer within 2 weeks of one another. Painting became my therapy, and now being here - I'm also learning to draw, as well, and to use different kinds of mediums when I paint....

"In this chaotic madness we call life - I just want to create something beautiful.."
