

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Graffiti

Well it's that time of the year again where I get to share some of my artwork with a bunch of amazing people. I am a graffiti artist at heart however my art is not limited to that as I have been expanding my range of styles. I love colors but I also love black and grey so I do both and lately I have been doing black and grey or just cool colors with a pinch of regular colors incorporated into the piece eg: Moon Goddess or Purple Haze from the 26th exhibit. Art is a major part of my life and it will always be. My goal as an artist is to have the viewer "feel something" when they look at it whether it is excitement, tranquility, happiness, or even bring about a certain memory. I love seeing peoples expressions when they see my work and I seen many ranging from subtle smiles to huge smiles paired with tears of joy. After I'm done with my time in the MDOC I plan on getting into tutoring, continue painting, and establish my own clothing brand. Till then my work will be available for your viewing pleasure here at
