Mind's Dark Door, Plague Girl and the Heart

Hi my name is Aaron James Hutchison. This is my second year participating in the Prison Creative Art Project. I am so happy to have my art work showed to the local public. Ever since I could remember I have always loved drawing. Use to get into trouble at school for drawing on their desks.

I love to draw whatever weird or crazy thing that comes to my imagination. My style most people would say is comic book art work. Or even tattoo style flash art. Hell I love my style. It is who I am. I always wanted to pursue a career in animation. To bring my style of art work to life would be awesome.

Or to be the next top comic book artist and or a graphic novel artist. So thank you P.C.A.P., and the University of Michigan for showing my work to the local public. This is such a wonderful blessing to get into the 25th Annual Exhibition of Art by Michigan Prisoners.
