

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Brad Cournaya 185064

this will be my 4th art show, I'm excited because I've
tried A few new techniques, using toilet paper to make
Coral pieces and some Bug Bodies, my drawings I tried
to put forth A message or statement with A couple
of them, I love to draw, people are not my best,
but hopefully people looking at them will understand
my meaning. I Am also not A painter, But with
my under the sea pieces I kinda tried to
bring A painting to life, I also love playing
chess, and I remember Shawshank redemption
when Andy dufresne made A chess set, I can't
get a rock hammer 😊 so I thought what
about cardboard? It worked pretty good,
