Sitting Duck

Sitting Duck is a ~~piece~~ <sup>condition</sup> of nature taken its course. As this  
earth is one big self-cleaning oven that's slowly drying all those  
of mankind! I got this idea for this piece from boat  
protection, the last Alaskan, its for my love of wild life  
nature and hopefully it will bring back a thought on time  
when you have witnessed nature taken its course to  
All PCAP Artist, writers, keep believing in greatness as  
I am. To the PCAP family & all of you thank you  
to Mr. Diane Kostinen and Gina Healey for supplying  
the art supplies that make sitting duck possible!  
Buzz Alexander is your voice and views of my art  
that's made me a better artist. I thank you and  
God bless I will keep drawing as its a part of  
my life and all art is a form of being inspired  
and understanding each other. Sincerely Enjoy
