

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Monty Menefee

Coming to prison has allowed me to find my inner artist. I have since started writing as well as working w/ my hands to create such things as bikes, churches and boats. I enjoyed the challenges of the detail involved in recreating my bike I left behind.

My hope is others will find the time while they are able to pursue their passions. Outlook the God given gifts one may be given. I am eternally blessed to have this time to discover what God has and continues to bless me with.
