

Artist Statement — 29th Annual Exhibition of Artists in Michigan Prisons

Artist Name: DEADman 580

I am a self taught artist. I started Drawing 10 months ago. Without any prior experience I started Drawing on Scrap paper using a golf pencil. With the help of my fellow inmates I was able to acquire limited supplies. I want to thank them publicly for their support. Because of their support I have been able enjoy countless hours of Joyful Therapeutic Drawing.

I sincerely hope you enjoy these pieces, as much as I did Drawing them.
