

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Donald Schneider

I've been obsessed with all forms of creative expression as long as I can remember. I love the feeling of Inspiration that comes from a good work of art and I strive to bring that feeling out in others.

I use my work to push myself to be more creative and I'm always trying out new techniques and mediums.

Lately I've been doing a lot of acrylic paintings with a lot of vivid color. I also do pen illustrations. Making art is meditative for me and gives me an outlet for expression that helps me cope with stress. I'd like to be able someday to use art to help others do the same.
