Suckle Thy Lord, For Buzz & Janie - Buzz' Red Truck

What is Art to me? Art is the construction of points of interest for the senses, from the mind of the Art's Creator, which may invoke different perspectives of thought within those who observe it.

Something about the Artist. I don't think I've ever created a piece of Art exactly how I envisioned it to be in my mind. Lord knows I have tried. But the Art never becomes exactly what I see. I figure far in the future, this information would be an important fact for the history books, about me and my Art.

Well, as always - thanks for coming to see the Art Work, thanks for supporting the artists, and most importantly, thank you for your precious time. Hopefully it was well spent, because there are no refunds on time. Spend it wisely.

Sincerely,
Ronald King Hood
