

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Goddess (Kenisha Faison)

I am a beginner artist. I didn't think I had any talent but my fellow artist pushed me to try and here I am. My pieces are people who I hold dear to my heart. Basically one I just welcomed into my life and the other is one I lost due to gun violence. They are both my Angels. I hope my pieces give awareness to what can be taken away at the blink of an eye as well as what we should cherish right in front of us.
