

Artist Name: Steven Rae Birmingham "Indio"

The Piece "Christ's Payment For me is in my heart"

represents my love and Gratitude for Christ's Payment for my sins.

As a "new" christian, 2 and a half years since I was reborn,
I wanted to share my appreciation for what was Given for
me - so long before I even knew of the need.

the feathers represent my Native American origin.

Please Consider the Price Jesus Paid for
us ALL.
