U.S.S.A. ENTERPRISE Among Starr Cluster's

U.S.S.A. ENTERPRISE Among Starr Cluster's was created (Created from nothing NOTHING - NO PASTELS, NO MARKERS, NO PENCILS, NO PAINT BRUSHES, NO #2 LINERS, NO POINTERS, NO PAINTING KNIVES, NO ERASERS, RULERS, OR ANY TYPICAL ART SUPPLIES.

THE ingredients used to create this piece of ART consist of:

- Cable Lead wire
 - Carbon Paper
 - manila envelopes
 - Magic Shave Cream
 - Tolnaftate Cream
 - Soap
 - Starter
 - Glass
 - Spoon
 - Tissue
- and consistent SPOTTINGS of U.S.S.A. ENTERPRISE.

From being a highly successful science fiction television series starting in the 1960's Star Trek became even more popular as a series of great special effects movies in the 1980's.

many of the U.S.S.A. Enterprise designs were created with help from NASA.

HERE. This version of U.S.S.A. Enterprise started from 2 hours of watching National Geographic learning about Superluminous novae, Super novae, Supernova's, Red Super Giant galaxy's, IC-10-11 which is 60 times larger than our Milky Way and frequent sightings of U.S.S.A. Enterprise inside this prison cell.

Victor Shivers has numerous projects that range from Creative Writing, App designs, opioid prevention foundation & prevention guide, along with many more ideas he would like to turn into a reality.

Mr. Shivers is seeking a sponsor that has the abilities to take his book manuscript and turn it into print and e-book format.

Mr. Shivers begins each day working on powerful lessons on Personal Change and continues to remain positive and proactive no matter his current circumstances or limited abilities.

MR. SHIVERS IS ALSO SEEKING information about legal services, Attorneys accepting appointments for pro bono short term assistance, and/or any recent law graduates who are participating in pro bono public service programs, who are willing to donate professional time and civic influence for the attached reasons.

IN SHORT, this work is an example of how the people of the beautiful struggle make due, Incent Shivers wanted to paint, but had no paint or paint brush which didn't kill his drive, but sparked the idea to hit the gas and find ~~that~~ generic bread!
