Art and Poetry and the written word  
have allowed me to thrive under the  
harsh conditions. Without them I would  
be lost. With all the stupid shit going  
on in the world today, maybe we could all  
use a little more creativity in our lives.  
Just saying...

My name is Jerry Metcalf, and I wish to  
make the world a better place. IF you do too,  
Please join me on social media.
