X's and O's MLK

All my life, everyone told me I was special.
Sometimes I sit and wonder why I put my life through
Hell. I've been at the Bottom so much its like I
like to fail. Im in a triflin' cell. Ive spent half my
life in jail. I cant wait til Im like A Bird instead
~~of~~ Im like a snail.

Who Am I? An artist, a poet, a baker, a personal
trainer? A Motivational speaker? Am I a comedian? Maybe
Im just a thug, An armed robber, a violent criminal.
What ever I Am,,, I Am!
