

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Linda Fuentes

I have enjoyed doing the PCAP because it has pushed me to do better on my art work that I did not even know I could do. I also wanted to ~~bring~~ bring a different art style out that I have not seen much of here. I am from Texas and the type of artwork I am used to seeing is called cholo art work. a lot of Hispanics do this type of art work. I also wanted to bring some thing from my culture. The meaning of this drawing is that no matter who you are or how you act there is always love out there for you.
