

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Daniel Durbin #0516574

I decided to learn how to crochet to help keep my grandmother alive in a way. She would always be crocheting in her spare time. Anyways these are the first things that I have ever crocheted and any money will be used to buy more supplies and yarn to continue to learn how to crochet better. My Grandmother's name was Laura Gaines and she was like a mother to me her birthday was 12-14-43 I just want her memory to stay alive. Thank you for this opportunity to continue my newly discovered skills.

My name is Daniel Durbin and I 40 years old born in Fremont, MI Home of the Gerber Baby and Gerber Foods.
