Drop Dose

Hello my name is Nick Nuse, I'm  
27 years old and very much into  
sacred geometry. My art is meant to  
be looked at from a distance and  
intended to bring peace upon the mind,  
body & soul. I create art as a  
way to meditate and relax. I hope you  
enjoy the drawing. Thankyou for the  
opportunity to present my artwork.

Sincerely,

Nick Nuse
