

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Sean Mickael Wilson

Hello: I've had the chance to start purchasing better Art Material

and have completely changed my art style. I deal with

Abstract, Surrealism and Modernism. I've been studying

Henri Matisse, Pablo Picasso, and Morris Herskowitz. I'm very

pleased with the direction I'm moving towards and

would love to say thank you to the P.C.R.P. Staff for

their inspiring words and ~~criticisms~~ criticisms.

I would also like to thank you, the patrons for purchasing

my artwork, I wouldn't be where I'm at without

you. I'm also working on a graphic comic book

on how to make no-bake deserts and foods. All

artistry and recipes created by me with the exception

of the pizza which my friend Boss created.

I love you all and will hopefully be able to meet you all
one day.
