

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Dario Cruz

Drawing, Painting and writing help get me away from the everyday noise of prison. Creating and making something come to life gives me a sense of purpose. It's crazy how when I send art work out I wonder about it's journey, whos eyes get to see my work, what they think of it. It's almost like the art gets to travel for me. I look forward to coming home and tattooing and creating graphic designs. Hopefully I make enough to eat good 😊.
