

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name:

Mr Keith Salonga Swift

PCAP gives me the opportunity to showcase my style of artwork, which also gives me the outlet to stay positive as well as decompress from the activities of this zoological habitation.

I always find myself struggling in regards to what type of creation to come up with, but when I turn my music on and allow my mind to focus on imaging, I come up with the designs you see on paper.

Thank you for allowing me the opportunity to share with you.

Swift, Keith #202475
