

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: B. Hancock

I Choose to knit because it provides a sense of calm to my mind, I can see the patterns and really enjoy watching them come out in the work. The process starts with what style of knitting to choose, Fair Isle (yellow M Hat, Mosaic (Bricks and Bars Hat), cable ~~knit~~ patterns, or other Multicolor styles (Corn Flower Hat). After choosing a style I then choose coloring, Mono or Multi^{color} and other texture designs. After designing everything on paper only then do I pull out yarn and start. I enjoy every aspect and try to challenge myself every time I come up with something new.
