

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Robert Bluhm

I was sitting around because we were locked down. Covid had hit my prison pretty hard. I had nothing to do so I cleaned out my hobby craft box and seen I had stick left over from old stuff I made years ago and said I should try my hand at a box for my dominoes because every bag I made would rip out. So I made a box and when guys seen it they all wanted one so I made more and they said put one in the art show there cool boxes so I did and I made a poker card box with some scratch art on the mirror so if you like them please buy them so I can buy more art supplies thank you for looking at my work.
